

We are here to help your children!

Greetings... My name is Anthony Jackson and I'm the executive director for the Neighborhood Youth Outreach Program for the Arts in Wilkinsburg. Our outreach program has served the community for over 20 years! We find it important that our children deserve a good quality program that can assist them with their educational endeavors, explore their God-given talents and help with their self-esteem... so they may face this world one day with the life tools to succeed! Our after school program offers homework help, history in black culture, team building, recreation and studies in dance, music and drama! We would love your family to join us!

After School Program for ages 11-18

Arts based curriculum! Only \$20 a month!(Home work help, arts, black history studies, professional caring adults and a safe place to grow!) Let's elevate our children!

Where: 600 Pitt street Wilkinsburg Pa 15221 (near Kelly school)
