

# ST. STEPHEN'S SPIRIT

The Newsletter of St. Stephen's Episcopal Church, Wilkinsburg PA

May 2021

**Recovery meetings** have a multi-decade, multi-generational history here, making the faith-oriented Narcotics Anonymous and Alcoholics Anonymous gatherings a part of our Saint Stephen's parish community. One of the more senior members of these communities met with me this past week to discuss an upcoming conference, and for him to reflect, since he was having a milestone birthday, on his decades of being a part of the community that meets here at Saint Stephen's. He and I spoke of his sense of gratitude to God and to the generosity of spirit among the people of Saint Stephen's for this home for their meetings. We had some time to reflect together on the shared mission between the recovery communities and of our parish-a mission to meet people where they are, especially if they are struggling or suffering, so as to be a source of kindness, selfless generosity and welcome to lift them up and sustain them as a specific response to our duty to give clear witness to the dignity of every human person. We reflected on the calling of our faith and how, through our prayer and reflection we are filled with a profound gratitude to God for the love God shows us as our Sacred Scripture reveals. Saint Stephen's includes these long-standing bonds of connection with the two recovery communities that call our parish their home; together we stand in mutual dedication to continuing this important component of Saint Stephen's intention to reach out to the community as a continuation of its history, but especially as a way to live out the joy of our faith. In our discussion I was reassured that these communities feel both welcome here and responsible for keeping this legacy strong into the future. We know that as disciples of Christ we are called to make a plan to reach out in practical, specific ways, especially for those who might be in a vulnerable place in their lives and feel marginalized because of it. Our longstanding bonds of connection with Alcoholics Anonymous and Narcotics Anonymous are a blessed opportunity for us to remind people who might be struggling and suffering of God's love for them by how we encourage them on their journey so as to show Christ's love through our mission as disciples and to contribute to the building up of the Kingdom of God. We know that Jesus teaches us to honor the person who needs help by sharing our blessings, showing the respect and child-like openness to their stories and in the faith-filled expectation that they have something to offer us also to help us on our journey of faith. Let us give thanks to God for the blessed partnerships that have been integral to the unfolding story of the special community we know as Saint Stephen's.

Blessings, Father Chuck+

## Mission of the Month: The Sanctuary Project

“The mission of the Wilkinsburg Sanctuary Project for Peace is to end youth and young adult violence in the community of Wilkinsburg and beyond. We seek to be a presence of peace and hope in our community as we lift up Wilkinsburg as a wonderful place to live, work, worship and attend school. Though many of us represent the Christian congregations of Wilkinsburg, we welcome and work alongside people of all faith traditions for the saving of our young people and beloved community.”

You can donate by writing a check to “The Wilkinsburg Sanctuary Project” and putting it in the communion plate or by getting on their website at [Home \(wilkinsburgsanctuaryproject.org\)](http://Home.wilkinsburgsanctuaryproject.org)
